**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My phone service with Sonic is superior to my former server, but an increase in phone and internet charges would stress my budget as a pensioner. There should be more competition in this market, and I implore you to "not fix what isn't broken" and encourage providers like Sonic to continue to widen their excellent phone and internet coverage to customers who greatly appreciate their quick and friendly service.
