**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Broadband is critical to our home and business. We support broadband competition.

The massive, national internet companies provide terrible customer service. We want the option to patronize and support local internet companies who employ people who live in our community.

Local internet companies should not be marginalized.
