**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose to use Sonic internet for our business because they were the only company I was able to purchase from that aligned with our vision for keeping net neutrality. Sonic was also the only company that was able to meet the bandwidth thresholds for our business without having to install multiple instances and thus vastly increasing our costs. Please do not let only the largest corporations influence your decision making.
