**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose a competitive provider because I grew tired and utterly frustrated by the "service" provided by AT&T (at three times the price to boot). In contrast Sonic has provided me with a excellent, totally efficient service.

As an educator (City College of San Francisco), broadband is critical to my home.

I have competitive telephone service and strongly object to price hikes that will increase the cost of internet and telephone services.
