**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As a small Business owner it is important to have affordable internet and phones services. For years with AT&T they just gouge us small businesses and continue their greedy habits. Thank god for other choices like Sonic.net local company with a heart to help other small business have choices. If you care you will vote the right and fair way for all business, homes and schools to have fair, affordable internet with fiber connection competitive DSL access.
