**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who is abig supporter of broadband. As a consumer we should have the right of options and be able to support small businesses at affordable rates.

It is unconstitutional to only allow a couple of big corporations to be in control of the internet. We should have a voice and be able to put our money to back these businesses.

Its the American way!
