**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose a competitive provider to obtain the best service in a local company. Their services have been exceptional. Competition fosters this business environment. Please do not limit this access. Broadband access is vital to my business communications and information.

We chose to move from a DSL provider to fiber to obtain more rapid communication ability and more competitive pricing. We also use the fiber access for our telephone connections and are very pleased with our services.
