**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition. My local provider does not track me and sell my information. That's important to me. The big companies will not protect my privacy. I am also receiving telephone service with my broadband at a much lower price than I was getting from AT&T. Competition spurs innovation and development, keeps prices low, and protects privacy.
