**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Ive had so many issues with not only internet connectivity provided by AT&T, but poor service, and frequent increases in cost.

Since Ive switched to Sonic, Ive had nothing but consistent service without interruption (even throughout the horrible Santa Rosa/Napa fires). I would love to keep supporting a thriving, satisfying business and believe the bigger companies should employ such a business model. Please help prevent the larger companies establish a monopoly on the communications industry and support a free market.
