**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please help maintain competition in the market place so that various companies can continue to expand fiber development. It is critical so that consumers can have different options, and keeping internet access affordable, and effective. This will greatly impact my ability to grow professionally, help my family, and maintain my quality of life.
