47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Let's have more competition between providers. I urge you to support that. Do everything in your power to oppose price hikes that can only increase the cost of internet and phone services. Only with broadband can I do the research I need to do to keep my job. Meantime, I continue to enjoy competitive telephone service.
