**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am in support of expanding our local broadband provider options. For so long it's just been AT&T and they have been charging us whatever they please. We had no other options. Please allow Sonic to continue using AT&T's entire infrastructure to expand access for the benefit of the entire Bay Area community.

Thank you for considering our opinions.
