**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I live in San Francisco, these days known as a key location for development of our future in internet technology. Yet in terms of internet access, I am in a third world country. If the petition to restrict access to critical unbundled network elements is passed, the market landscape of broadband access will be less competitive and progress will be further stifled. Please deny the major Telecom's petition.
