**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

The internet in the United States is an international disgrace. Sonic is one of the few companies to offer real competition and a chance for improvement. Without access to infrastructure it is impossible to compete with big telecom.

We already put too much money and power into the hands of a small number of people. Let the internet thrive.
