**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm a concerned citizen who relies on the Internet for my career. I work for a small nonprofit that doesn't have an office, so we all work from home.

I rely on competitive local providers like Sonic, who will soon be providing fiber in my area. I want to ensure there's competition so we aren't stuck with monopolies with large companies like Comcast, which are a nightmare to deal with.

The Internet should be accessible to everyone -- not just the rich.

Please save competitive telecon, which benefits everyone.

Thank you!

Rosana Francescato
