**Re: In the Matter of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am on a fixed income and I can not afford anymore price increases just to keep the bare minimum with internet and landline service I am receiving from Sonic. I live in low income housing where the cell phone reception is terrible and call drops all of the time. Which is why is important to me to keep my landline service. If another price increase happens I will have no choice but to terminate my service.
