**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We deserve more than Comcast + ATT as options in our neighborhood. With only two major options, we are forced to pay high prices and endure horrible customer service. I am supporting Sonic because they are local and actually care about their customers. I work from home at least once a week and fast, reliable internet is crucial to my productivity and well-being. Please allow them to expand their fiber network!
