**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Securing open markets are essential to making America great. My broadband options have been pitifully small - to the point I cut the cord and stopped supporting those companies that didnt opporate in ways I agreed with.

In the US to be engaged wifi is as critical as electricity. Keeping pipes available at even and accessible cost is essential.

You in the fcc are entrusted with securing access for all. Please reinstate net neutrality assurances for all.

Thank you
