**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please support broadband competition. I am a consumer and strongly urge you to support broadband competition so that Americans can have a choice in their provider and offer a variety of packages and pricing. This will not be possible and will go against the American ideal of a free market if the FCC says yes to price hikes.
