**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As a small business owner, I prefer to support fellow small businesses. For the past 10 years or so, I've been a happy customer of Sonic.net here in Northern California. They provide broadband service that's key to my design business, and their customer service beats the pants off the big companies I used to have to deal with.

In addition, I get affordable, quality phone service from Sonic all of which lowers my overhead and helps me keep my prices reasonable for my clients.

In short, I support broadband competition.
