**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We must keep broadband competition in the USA. We need a real open market not one where the big corporations get an advantage. I want it at my home--Comcast only fiber option but I want SonicNet, a local provider.

Also as tech resource for charter school, we need competition to keep data costs low--erate alone is not enough.

Thanks,

Edward FitzGerald
