**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please do not let ATT implement expensive changes that will cause me to lose my internet provider. I have a DSL connection with Sonic, a small locally owned company based in Santa Rosa, CA. Sonic is currently able to use lines owned by ATT by paying an affordable fee.. Sonic has excellent customer service; ATT does not. The changes that ATT wants to implement will put Sonic out of business; will increase the cost of my internet service; and will reduce competition. There will be no benefits for the average citizen.

Please protect competition in the telecom business.

Sincerely,
Danny Field
