**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am current customer of Sonic and they are doing a good job with the service I have not complaints.

I choose them because they listen their customers and keep us posted about the service. They a competitive provider no doubt.

The customer have the right to choose their providers that importance of competition.

I live in a fixed income and don't have the hability to pay expensive fees such as other offer. So I state NO to price hikes that will increase the cost of internet and telephone services.

Hopefully you get the message as it is.

Thanks,

Lourdes tremewan
