**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I consider it important to have a broad field of providers, which is why I have chosen one that is not one of the mega-companies. I want my provider, Sonic, to be able to continue to be able to expand their fiber network to include my area, which is crucial for the continued success of my home-based business as a translator.
