**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

For goodness sake, don't let the BIG be the enemy of the people. Just look at the poor quality, constant service interruptions, & high prices we have to pay (not to mention insulting customer service, (insulting to the United States Postal Service which, despite Congress' attempts to ruin it, is still the best postal service in the world) when we have only Comcast for cable. Don't force us away from better, more responsive local providers by giving Goliaths all the armor & taking away David's slingshot!
