Lori: I checked and the status of your waiver request for application numbers 161047626 and 161042799 is currently "pending."

While there is, unfortunately, no set timetable for the resolution of waiver requests, we will mail a copy of the decision to you once rendered or you can check the FCC's website for decisions that come out here: <https://www.fcc.gov/general/e-rate-schools-libraries-usf-program#daily-releases>

I will alert the team member working on this waiver request that you have inquired.

To whom it may concern:

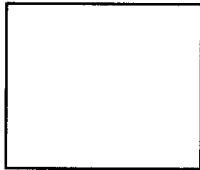

Our school district is unaware of any communication received from the FCC. Is there a timeline we can watch out for?

How long is normal processing time?

Any communication would be great.
