**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I don't want to be stuck with a national provider who's too big to care about what their customers actually want, and who'll raise prices just because they can. I use my broadband connection constantly. I have been a customer of both Comcast and ATT&T, and Sonic suits me much better. The price is good and I get only what I need, unthrottled. Please don't make the big provider monopoly on broadband even worse that it already!
