**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

If you believe in supporting, small businesses and innovation, please dont let the big telecoms block access to last-mile technology. Im self-employed and so happy that these smaller companies are coming up with new and better-by-the-day ways to keep us connected and keep costs reasonable. Dont let the telcos push this market stifling effort thru.

Thank you for your attention to this important issue.
