**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Broadband is important to where I live since we are in the country. Fiber connected service is excellent and no one should sever service that connects progress. I never want to slow DSL service. It was unreliable and frustrating. Let's move forward with Fiber technology to connect.

We conduct business out of our rural home and this is an important issue.

Thank you.
