**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Internet service is already way too high in our country and it is time that we allowed more competition into the market. It is not right that there should be a monopoly held by only a few companies. The information on the internet to be available and affordable to everyone. It is a vital part of our communication. It should not be such an exclusive thing.
