**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a small business. I support broadband competition. AT&T is focused on wireless and does not support DSL and other services well. I had Them for several years and would LOSE INTERNET for days at a time. I am now with a local provider who sends someone every time I have trouble (which is now far less often).
