**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm a happy Sonic customer. Free market competition is essential for enabling all consumers to choose the most efficient internet provider for each individual.

ATT already has an unfair competitive edge versus newer providers.

Monopolies are generally against the interests of most consumers.

Thanks!
