**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I urge you to save competitive Telecom providers. I'm a very concern consumer. I'm retired in a fix income. There are hundres of people like me, that need phone and internet at prices that we can afford. If ATT gets its way I won't be able to pay for this essential services. I have medical access through internet, do my banking, and stay in touch with my family, it will be devastating for me to loose this services. Broadband is critical to access my doctors and certain services they provide. Please don't let us down.
