**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We MUST keep the internet competitive! We need fair price, high-speed broadband service.

Consumers want competitive communications services! Stop allowing large companies to crush smaller competitors. The more competitors, the more competitive the market. This is a corner stone of capitalism.
