**Re: In the Matter of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I live in a small community that deserves to have broader choices of broadband connections.

As an IT specialist, stable and quick internet service is highly important to help me service my clients.

I use my internet provider for my land line service, which I prefer to use over other choices of communication
