**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a small business owner in Santa Clara, California. As a small business owner, I do not have the luxury of venture capitalization and seemingly endless reserves of capital. I function on a narrow profit margin and my bottom line is ever present.

Sonic has provided for me an affordable option for internet and phone services.

Having several providers allows me the option to save on my expenses.

I support broadband competition.

Thank you.

Sincerely,

Mike Lesaca
