**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC, I support small local businesses as well as broadband competition. I am saying no to price hikes and single option home phone and internet. I support local. Sonic has great customer service and great service for a very affordable price. I have never had a bad experience with them. Please support competition, especially local internet.
