**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need Bridge 2 Broadband. Please maintain it, strengthen it, expand it. Do not bow to AT&T to reduce competition.

Yes, I am a consumer and yes, i am a small business, as you might see below.

I am a long-time, supportive customer of Sonic.net. Sonic.net is growing bigger, but will be greatly hampered if you are or become a puppet to AT&T.

Sonic.net is founded and is located in my hometown, Santa Rosa, Sonoma County, California. Their support service by phone is great. Further, if I wish, I can walk into their office and meet in person with someone who will help me.

So, please help me, and help Sonic.net.

Thank you.
