**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition is essential and nowhere more than in broadband - which is no longer an option but a requirement (same as water, electricity) in modern world.

Sonic has been a valuable alternative in broadband space and have been very innovative and open partner. I highly encourage FCC to prevent any barriers being put in in that landscape.
