47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As a consumer and business owner, I believe in the right to fair business practices. I support broadband competition.

I choose a competitive provider because big phone companies are are terrible service and a monopoly would make that even worse.

I run my business AND my high schooler uses online school from our home. We need broadband service from our current fantastic alternative provider.
