**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

protect yourselves. when monopolies are created and the voice of the people is taken away, you run the risk of starting a riot, nay a revolution , hopefully one that isn't violent.

AT&T is the enemy here, the people, america will deal with the company in it's own way.

the FCC is paid by our tax dollars, and i demand that our tax dollars be spent representing america, not that illegal monopoly that AT&T is.
