**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need more broadband competition not less. I was with AT&T before then moved to Sonic because their pricing and service was much better than the big providers, I have not incurred any problem with my internet connection and phone service since.

We need Sonic and others like them to thrive well with the better capitalized company like AT&T; so I'm not in favor of actions that increases the cost of internet and phone service. We need the small businesses in the competition and no monopoly please!

Thank you very much for hearing me.

Michael W.
