**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I depend on unbundled "last mile" elements for my DSL and voice service. My current provider -- Sonic -- provides a much higher quality of service than I can get with AT&T. That Sonic is also less costly is a bonus. We use Sonic for both telephone (POTS) and for DSL Internet service.

It is critically important that the "last mile" copper and other unbundled elements be preserved.
