47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please do not allow AT&T monopoly the internet service market!

As internet become our daily necessity, we simply need more options for consumers.

I am not talk about price only. But options too! For sake of open competition, please let us have a choice.

Lastly, please help the small business grow.

Steve
