**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer that supports broadband competition. Over the past 6 years of being a Comcast Xfinity subscriber, I finally got sick of the outages due to their poor network they refuse to update and the yearly price increases, so I switched to Sonic who also comes with a competitive phone service. We live in a capitalist society which encourages and thrives off competition, and we need to make sure that competition is protected.
