**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am very happy with Sonic. When I call customer svce, I don't have to speak with someone in Manila whose dialect is so thick that I can't understand their English. Also NO hidden bogus charges written in a cryptic code with Sonic, that was my experience with AT&T and Comcast.

Frankly I think AT&T and Comcast use monopoly policies, they want to get rid of landlines, which I think is a major safety issue.
