**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

The United States of America needs more internet service competition, not less. Caving to US Telecoms desire to take away access to unbundled network elements is not acceptable. Reducing viable internet providers to one cable provider or one telephone provider is not good for anyone except majority shareholders of major telecommunications companies.

Thank you for your time.
