**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Its bad enough that you repealed net neutrality, and now our worst fears about this repeal are coming true. Please do not give in to ATT pressure. Please keep unbundled copper and inner city fiber optic cable for competition. Sonic provides an important third option in a market that has very little competition. Having Sonic also allows us to have an emergency phone line as well.

Thanks in advance for doing the right thing!
