**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

i support broadband competition and am against anything that limits open access to the 'last mile' of copper wire. i choose competitive providers, not at&t for my access to the internet.

prohibiting local providers from using local copper wire for internet/phone access will raise my costs and i am against it.

thanks
