**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please note:

- o We chose SONIC as a competitive provider in terms of lower cost consideration and better service quality.
- o "NO" to price hikes that will increase my cost of internet and telephone services.
- o The broadband is very critical to our home.
- o We have fiber today but were connected with competitive DSL. We have enjoyed fiber very much.
- o We like very much the telephone service provided by SONIC .

Sincerely,
Frank W. Chan
